This matter was opened to the New Jersey State Board of
Massage and Bodywork Therapy ("Board") upon review of Sandra
Cervantes's application for licensure as a massage and bodywork
therapist. Upon a review of the application, and the results of

the Criminal History Background Check, it was ascertained by the Board that although the applicant had indicated "N" for "no" in response to the questions relating to arrests and convictions on the application, she had been arrested in 2010 on charges of assault. The charges were dismissed.

The Board finds that the applicant knew or should have known that by failing to disclose the above-cited arrest on her application in response to the question about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS 30th DAY OF March, 2015

HEREBY ORDERED AND AGREED THAT:

1. A \$100.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, and shall be submitted along with this signed order.
2. The applicant's application for licensure shall be granted upon payment of all applicable fees and demonstration of

satisfaction of all requirements for licensure, if he has not already done so.
